

16 SEATER VIP CONFERENCE SPRINTER

TÖRE NUR
EINZELN
BEWEGEN

THIS SPRINTER IS LIKE A SMALL, EXCLUSIVE AND COMFORTABLE CONFERENCE BUS

Our Mercedes Benz Conference Sprinter offers an upscale leather interior that has been exclusively designed for Silvervision and offers select Bentley leather and authentic premium Alcantara leather for its outstandingly comfortable Softline seats with a width of 45 cm.

An exclusive VIP vehicle with 16 seats and 2 conference tables for 6 individuals, kitchen, Tassimo coffee maker and on board refrigerator. You can use the DVD player, the iPod port or the VGA port along with the 19'' TFT monitor for presentations or simply for your entertainment.

A unique feature in this segment is the end-to-end glass roof; furthermore the conference area in the front of the vehicle has no floor level differences which gives you more headspace than in other similar vehicles.

The rear area welcomes guests with a theatre style seating and offers new points of view. Together with our partners we dispose of a total of three identically constructed vehicles in the Ruhr area.

WE CARE ABOUT THE ENVIRONMENT

At Silvervision we set great value upon an environmental focus.

We also focus on environmental awareness; we therefore like to stress that our vehicles have EURO EEV as well as EURO 6 engines.

Of course, we also pay attention to sustainability when it comes to our personnel and our vehicles' equipment.

Our drivers complete an eco training in which they learn how to drive in an environment-conscious way.

BRANDING

Individual Branding – Your company logo on our luxury buses

At Silvervision, your individual branding or your own logo can be incorporated.

Would you like to use our discreet black vehicles with your own individual branding or logo?

No problem! We want you to be able to identify yourself entirely with the chosen vehicle.
